# **Hail, Hail, the Gang's All Here**

Hail, hail, the gang's all here

What the heck do we care

What the heck do we care

Hail, hail, the gang's all here

What the heck do we care now

## **Roll Out the Barrel**

Oh, we ain't got a barrel of money  
Maybe we're ragged and funny  
But we'll travel along singing a song  
Side by side.

Don't know what's coming tomorrow  
Maybe it's trouble and sorrow  
But we'll travel the road sharin' our load  
Side by side.

Through all kinds of weather  
What if the sky should fall  
As long as we're together  
It doesn't even matter at all.

## **By the Light of the Silvery Moon**

By the light of the silvery moon

I want to spoon

To my honey, I'll croon love's tune

Honey moon, keep a-shinin' in June

Your silvery beams will bring love's dreams

We'll be cuddlin' soon

By the silvery moon

## **Ida, Sweet as Apple Cider**

Ida, Sweet as apple cider,

Sweeter than all I know,

Come out, In the silv'ry moonlight,

Of love we'll whisper, so soft and low!

Seems as tho' can't live without you,

Listen, please, honey do!

Ida, I idolize yer

I love you, Ida, 'deed I do.

## **Shine On Harvest Moon**

Shine on, shine on harvest moon

Up in the sky

I ain't had no lovin'

Since January, February, June or July

S'no time, ain't no time to stay outdoors and spoon

So shine on, shine on harvest moon

For me and my gal

## **Harvest Moon**

Come a little bit closer

Hear what I have to say

Just like children sleepin'

We could dream this night away

But there's a full moon risin'

Let's go dancin' in the light

We know where the music's playin'

Let's go out and feel the night

Because I'm still in love with you

I want to see you dance again

Because I'm still in love with you

On this harvest moon

## **Blue Moon**

Blue moon,  
You saw me standing alone  
Without a dream in my heart  
Without a love of my own

Blue moon,  
You knew just what I was there for  
You heard me saying a pray'r for  
Someone I really could care for

And then there suddenly appeared before me  
The only one my arms will ever hold  
I heard somebody whisper "Please adore me"  
And when I looked, the moon had turned to gold!

Blue moon!  
Now I'm no longer alone  
Without a dream in my heart  
Without a love of my own

## **Moonlight Bay**

We were sailing along on Moonlight Bay

We could hear the voices ringing

They seemed to say

"You have stolen her heart"

"Now don't go 'way"

As we sang love's old sweet song on Moonlight Bay

## **Moon River**

Moon river, wider than a mile

I'm crossing you in style some day

Oh, dream maker, you heart breaker

Wherever you're going, I'm going your way

Two drifters, off to see the world

There's such a lot of world to see

We're after the same rainbow's end, waiting, round

the bend

My Huckleberry Friend, Moon River, and me

# **Fly Me to the Moon**

Fly me to the moon

Let me play among the stars

Let me see what spring is like

On a-Jupiter and Mars

In other words: hold my hand

In other words: baby, kiss me

Fill my heart with song

And let me sing for ever more

You are all I long for

All I worship and adore

In other words: please, be true

In other words: I love you

## **Catch a Falling Star**

Catch a falling star and put it in your pocket

Never let it fade away

Catch a falling star and put it in your pocket

Save it for a rainy day

For love may come and tap you on the shoulder

Some starless night

Just in case you feel you wanna hold her

You'll have a pocket full of starlight

Catch a falling star and put it in your pocket

Never let it fade away

Catch a falling star and put it in your pocket

Save it for a rainy day

## **Show Me the Way to Go Home**

Show me the way to go home

I'm tired and I want to go to bed

I had a little drink about an hour ago

And it's gone right to my head

Everywhere I roam

Over land or sea or foam

You can always hear me singing this song

Said show me the way to go home.

## **Pack Up Your Troubles**

Pack up your troubles in your old kit bag

And smile, smile, smile.

While you've a lucifer to light your fag

Smile boys, that's the style

What's the use of worrying

It never was worth while

So, pack up your troubles in your old kit bag

And smile, smile, smile.
