Roll Out the Barrel

Roll out the barrel, we'll have a barrel of fun

Roll out the barrel, we've got the blues on the run

Zing boom tararrel, sing out a song of good cheer

Now's the time to roll out the barrel,

for the gang's all here!

Hail, Hail the Gang's All Here

Hail, hail, the gang's all here

What the heck do we care?

What the heck do we care?

Hail, hail the gang's all here,

What the heck do we care now?

Button Up Your Overcoat

Button up your overcoat
When the wind is free
Take good care of yourself
You belong to me

Eat an apple every day
Go to bed by three
Oh, take good care of yourself
You belong to me

Be careful crossing streets, ooh-oo
Don't eat meat, ooh-oo
Cut out sweets, ooh-oo
Or you'll get a pain and ruin your tum-tum

Take the spoon out of your cup
When you're drinkin' tea
Take good care of yourself
You belong to me

Raindrops Keep Falling On My Head

Raindrops are falling on my head

And just like the guy whose feet are too big for his bed

Nothing seems to fit

Those, raindrops are falling on my head, they keep falling

So I just did me some talking to the sun

And I said I didn't like the way he got things done

He's sleeping on the job

Those, raindrops are falling on my head, they keep fallin'

But there's one thing I know

The blues they send to meet me

Won't defeat me

It won't be long 'till happiness steps up to greet me

It's Raining, It's Pouring

It's raining, it's pouring;

The old man is snoring.

He went to bed and

Bumped his head

And he couldn't get up in the morning.

It's snowing, it's blowing

The old man is growing

He ate so much one day for lunch

That every part was showing.

Blowin' in the Wind

How many roads must a man walk down

Before you call him a man?

How many seas must a white dove sail

Before she sleeps in the sand?

Yes, and how many times must the cannonballs fly

Before they're forever banned?

The answer, my friend, is blowin' in the wind

The answer is blowin' in the wind

Yes, and how many years can a mountain exist

Before it's washed to the sea?

Yes, and how many years can some people exist

Before they're allowed to be free?

Yes, and how many times can a man turn his head

And pretend that he just doesn't see?

The answer, my friend, is blowin' in the wind

The answer is blowin' in the wind

Autumn Leaves

The falling leaves
Drift by the window
The autumn leaves
Of red and gold

I see your lips
The summer kisses
The sunburned hands
I used to hold

Since you went away
The days grow long
And soon I'll hear
Old winter's song

But I miss you most of all
My darling
When autumn leaves
Start to fall

Let it Snow

Oh, the weather outside is frightful
But the fire is so delightful
And since we've no place to go
Let it snow! Let it snow! Let it snow!

It doesn't show signs of stopping
And I've brought some corn for popping
The lights are turned way down low
Let it snow! Let it snow! Let it snow!

When we finally kiss goodnight
How I'll hate going out in the storm!
But if you'll really hold me tight
All the way home I'll be warm

The fire is slowly dying
And, my dear, we're still goodbying
As long as you love me so
Let it snow! Let it snow! Let it snow!

Baby, It's Cold Outside

I really can't stay (baby, it's cold outside)

I've got to go away (but, I can call you a ride)

This evening has been (I'm so glad you that you dropped in)

So very nice (time spent with you is paradise)

My mom will start to worry (I'll call the car and tell him to hurry)

My daddy will be pacing the floor (wait, what are you still livin' home for?)

So, really, I'd better scurry (your driver, his name is Murray)

But maybe just a half a drink more (oh, we're both adults, so who's keepin' score)

What will my friends think? (I think they should rejoice)

If I have one more drink? (It's your body and your choice)

Ooh you really know how (your eyes are like starlight now)

To cast a spell (one look at you and then I fell)

I ought to say, "No, no, no, sir" (then you really ought to go, go, go)

At least I'm gonna say that I tried (well, Murray, he just pulled up outside)

I really can't stay (I understand, baby)

Baby, it's cold outside

Here Comes the Sun

Here comes the sun, doo-doo-doo-doo, here comes the sun

And I say it's all right

Little darling, it's been a long cold lonely winter

Little darling, it feels like years since it's been here

Here comes the sun, doo-doo-doo-doo, here comes the sun

And I say it's all right

Little darling, the smiles returning to the faces

Little darling, it seems like years since it's been here

Here comes the sun, doo-doo-doo-doo, here comes the sun

And I say it's all right

Sun, sun, sun, here it comes (5x)

Little darling, I feel that ice is slowly melting

Little darling, it seems like years since it's been clear

Here comes the sun, doo-doo-doo-doo, here comes the sun

And I say it's all right

Open Up Your Heart

So let the sun shine in,
face it with a grin.

Smilers never lose
and frowners never win.

So let the sun shine in
face it with a grin,

Open up your heart and let the sun shine in.

You Are My Sunshine

You are my sunshine, my only sunshine
You make me happy when skies are grey
You never know, dear, how much I love you
Please don't take my sunshine away

I Can See Clearly Now

I can see clearly now the rain is gone

I can see all obstacles in my way

Gone are the dark clouds that had me blind

It's gonna be a bright (bright)

Bright (bright) sun shiny day

It's gonna be a bright (bright)

Bright (bright) sun shiny day

Oh, yes I can make it now the pain is gone

All of the bad feelings have disappeared

Here is that rainbow I've been praying for

It's gonna be a bright (bright)

Bright (bright) sunshiny day

Look all around, there's nothing but blue skies

Look straight ahead, there's nothing but blue skies

Show Me the Way to Go Home

Show me the way to go home
I'm tired and I want to go to bed
I had a little drink about an hour ago
And it's gone right to my head
Everywhere I roam
Over land or sea or foam
You can always hear me singing this song
Show me the way to go home.
