Come, Now is the Time to Worship

Come, now is the time to worship

Come, now is the time to give your heart

Come, just as you are to worship

Come, just as you are before your God

Come

One day every tongue will confess You are God

One day every knee will bow

Still the greatest treasure remains for those

Who gladly choose You now

Gather Round

Gather round, God is building a new people

There is a place for you

Gather round choose the life that Jesus shows us

God's circle will surround you

God's circle will surround you

This Little Light of Mine

This little light of mine
I'm going to let it shine
Oh, this little light of mine
I'm going to let it shine

This little light of mine
I'm going to let it shine
Let it shine, let it shine, let it shine

Everywhere I go,
I'm going to let it shine...

Hide it under a bushel? No!
I'm going to let it shine...

Don't let Satan [blow] it out!
I'm going to let it shine...

I Saw the Light

I wandered so aimless life filled with sin
I wouldn't let my dear Saviour in
Then Jesus came like a stranger in the night
Praise the Lord I saw the light.

I saw the light I saw the light
No more darkness no more night
Now I'm so happy no sorrow in sight
Praise the Lord I saw the light.

Just like a blind man I wandered along
Worries and fears I claimed for my own
Then like the blind man that God gave back his sight
Praise the Lord I saw the light.

I saw the light I saw the light
No more darkness no more night
Now I'm so happy no sorrow in sight
Praise the Lord I saw the light.

Guide Me, O Thou Great Jehovah

Guide me, O my great Jehovah,
pilgrim through this barren land;
I am weak, but you are mighty;
hold me with your powerful hand.

Bread of heaven, bread of heaven,
feed me now and evermore,
feed me now and evermore.

Open now the crystal fountain,
where the healing waters flow.

Let the fire and cloudy pillar
lead me all my journey through.

Strong Deliverer, strong Deliverer,
ever be my strength and shield,
ever be my strength and shield.

Be Thou My Vision

Be thou my vision, O Lord of my heart;
Naught be all else to me, save that thou art -
Thou my best thought, by day or by night;
Waking or sleeping, thy presence my light.

Be thou my wisdom, and thou my true word;
I ever with thee and thou with me, Lord.
Thou my great Father; thine own may I be,
thou in me dwelling and I one with thee.

High King of heaven, my victory won,
may I reach heaven's joys, O bright heaven's sun!
Heart of my own heart, whatever befall,
still be my vision, O Ruler of all.

Amazing Grace

Amazing Grace, How sweet the sound
That saved a wretch like me
I once was lost, but now am found
Was blind but now I see

'Twas Grace that taught my heart to fear
And Grace, my fears relieved
How precious did that grace appear
The hour I first believed.

Through many dangers, toils and snares
I have already come.

T'was grace that brought me safe thus far
And grace will lead me home.

Though we've been here ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first began.

Christ Be Our Light

Longing for light, we wait in darkness.

Longing for truth, we turn to you.

Make us your own, your holy people,
light for the world to see.

Christ be our light! Shine in our hearts.

Shine through the darkness.

Christ, be our light! Shine in your church gathered today.

Longing for peace, our world is troubled.

Longing for hope, many despair.

Your word alone has power to save us.

Make us your living voice.

Christ be our light! Shine in our hearts.

Shine through the darkness.

Christ, be our light! Shine in your church gathered today.

Take My Hand, Precious Lord

Precious Lord, take my hand

Lead me on, let me stand

I'm tired, I'm weak, I'm lone

Through the storm, through the night

Lead me on to the light

Take my hand precious Lord, lead me home

When my way grows drear precious Lord linger near

When my light is almost gone

Hear my cry, hear my call

Hold my hand lest I fall

Take my hand precious Lord, lead me home

Keep on the Sunny Side

There's a dark and a trouble side of life

There's a bright and a sunny side too

Though we meet with the darkness and strife

The sunny side we also have in view.

So keep on the sunny side, always on the sunny side

Keep on the sunny side of life

It will help you everyday it will brighten all the way

If you'll keep on the sunny side of life.

Oh the storm in its fury broke today

Crushing hopes that I cherish so dear

Clouds and storms will in time pass away

And the sun again will shine bright and clear.

Chorus

Let us greet with a song of hope each day

Though the moments be cloudy or fair

Let us trust at our Saviour always will keep us

Everyone in his care.

Go Now in Peace

Go now in peace,

Go now in peace,

May the love of God surround you,

Everywhere, everywhere,

You may go.
