Roll Out the Barrel

Roll out the barrel, we'll have a barrel of fun
Roll out the barrel, we've got the blues on the run
Zing boom tararrel, ring out a song of good cheer
Now's the time to roll the barrel, for the gang's all
here

Hail, Hail, The Gang's All Here

Hail, hail, the gang's all here
What the heck do we care, what the heck do we
care?
Hail, hail, the gang's all here,
What the heck do we care now?

What Are You Doing New Year's Eve?

Maybe it's much too early in the game
Aah, but I thought I'd ask you just the same
What are you doing New Year's
New Year's Eve?

Wonder whose arms will hold you good and tight
When it's exactly twelve o'clock that night
Welcoming in the New Year
New Year's Eve

Maybe I'm crazy to suppose
I'd ever be the one you chose
Out of a thousand invitations
You received

Aah, but in case I stand one little chance
Here comes the jackpot question in advance
What are you doing New Year's
New Year's Eve?

We Wish You a Merry Christmas

We wish you a Merry Christmas

We wish you a Merry Christmas

We wish you a Merry Christmas

And a Happy New Year

Good tidings to you wherever you are

Good tidings for Christmas and a Happy New Year

We wish you a Merry Christmas

We wish you a Merry Christmas

We wish you a Merry Christmas

And a Happy New Year

Oh, bring us a figgy pudding

Oh, bring us a figgy pudding

Oh, bring us a figgy pudding

And a cup of good cheer

Happy New Year

The snow makes teardrops on my window
The wind blows memories through my hall
And I am all alone on New Year's eve
The time I need you most of all

The gay ones don their silly paper hats
And blow their stupid little horns
At midnight they will all be singing Auld Lang Syne
But the sad ones sit alone before the fire and sip a glass of lonely
wine

I wish you a Happy New Year darling
May your new love be bright and fair
I hope he'll do those special things for you
That I would do if I were there.

I love the days we spent together
Before the old year lost its shine
I'll keep that memory locked within my heart
That Happy New Year you were mine

Auld Lang Syne

Should auld acquaintance be forgot

And never brought to mind?

Should auld acquaintance be forgot

And days of auld lang syne?

For auld lang syne, my dear

For auld lang syne

We'll tak a cup o' kindness yet

For days of auld lang syne

Here We Come a Wassailing

Here we come a-wassailing

Among the leaves so green.

Here we come a wand'ring

So fair to be seen.

Love and joy come to you,

And to you your wassail too;

And God bless you and send you a Happy New Year,

And God send you a Happy New Year.

Ac-cent-tchu-ate The Positive

You've got to accentuate the positive

Eliminate the negative

Latch on to the affirmative

Don't mess with Mister In-Between

You've got to spread joy up to the maximum

Bring gloom down to the minimum

Have faith or pandemonium

Liab!e to walk upon the scene

To illustrate his last remark

Jonah in the whale, Noah in the ark

What did they do

Just when everything looked so dark

Man, they said we better, accentuate the positive

Eliminate the negative

Latch on to the affirmative

Don't mess with Mister In-Between

No, do not mess with Mister In-Between

Open Up Your Heart (And Let the Sun Shine In)

So let the sun shine in, face it with a grin.

Smilers never lose and frowners never win.

So let the sun shine in, face it with a grin

Open up your heart and let the sun shine in.

Keep on the Sunny Side

There's a dark and a troubled side of life

There's a bright and a sunny side too

Though we meet with the darkness and strife

The sunny side we also may view

Keep on the sunny side always on the sunny side

Keep on the sunny side of life

It will help us every day it will brighten all our way

If we keep on the sunny side of life

Oh the storm and its fury broke today

Crushing hopes that we cherish so dear

The clouds and storm will in time pass away

The sun again will shine bright and clear

Let There Be Peace on Earth

Let there be peace on earth
And let it begin with me.
Let there be peace on earth
The peace that was meant to be.
With God as our father
Brothers all are we.
Let me walk with my brother
In perfect harmony.

Let peace begin with me
Let this be the moment now.
With every step I take
Let this be my solemn vow.
To take each moment
And live each moment
With peace eternally.
Let there be peace on earth,
And let it begin with me.

Pack Up Your Troubles

Pack up your troubles in your old kit bag

And smile, smile, smile.

While you've a lucifer to light your fag,

Smile boys, that's the style

What's the use of worrying

It never was worthwhile

So, pack up your troubles in your old kit bag

And smile, smile, smile
